

To my fellow Roosters,

They say time flies when you are having fun and believe me the last five years have flown by. It was a great honor and a *lot* of fun being your Chief Rooster. I would like to thank everyone in the Rooster family for the privilege of being the Chief Rooster for the last five years. It would not have been such fun if I were not blessed with so much help from other Roosters. I do not believe anyone turn me down when I asked for help. I have always said the Roosters are the finest group of Amateurs I have had the pleasure of knowing. I am proud to be a member of the group. My term has ended as the Chief but not as a Rooster. Thank you one and all for the honor and privilege being your Chief Rooster for the past five years.

88's and 73's

God Bless

*Walt*
