

## Here's the plan for the 2008 Florida Rooster Flocking.

In order to have an enjoyable meal for the Roosters and their guests during the Florida Flocking, we decided to go to Sonny's BBQ and ask them to cater the meal. They will only cater for 50 or more people and, as we're not having that many people here for the 2008 Florida Flocking, that is out. Connie will obtain the BBQ meats and additional items of the meal from Sonny's. The cost will be \$15.00 per person, which will include beverages. The beverages will include sodas, iced tea, water and coffee. If anyone wants to bring alcoholic beverages such as beer, wine or liquor, they may do so. We will need a check in the amount of \$15.00 per person by 1 February 2008 so we can order the necessary refreshments and have everything we need by 8 February 2008. If you are bringing guests, please let us know how many will be in your party and include \$15.00 per person in your check.

If anyone is planning to go on the gambling cruise on the Sterling Casino Ship, it is free. The cruise is on Thursday 7 February 2008 and it leaves Port Canaveral about 1100 and returns about 1600. We need to have the names of all persons going by 1 February 2008 so that we can get the list to the Sterling representative. The list is required by the U.S. Coast Guard. The Sterling Gambling Ship people will reserve the VIP Suite for the group. There will be snacks in the suite.

We also need a list of people planning to attend the dinner on Thursday 7 February 2008 at Grandpa's Steakhouse in Cocoa. We are planning to set a reservation for 1800. That should give those returning from the gambling cruise plenty of time to get to the restaurant. It is not far from the QTH of WD4EBA & KG4KBO. Grandpa's Steakhouse is located at 3660 W. King St., Cocoa, FL 32926 (FL 520). Approx. 1 Mile East of I-95.

If anyone needs directions from where they are staying either to Port Canaveral, Grandpa's Steakhouse or Paul & Connie's QTH let us know or go to [mapquest.com](http://mapquest.com).

If anyone needs further info please contact Paul or Connie.
